Date: October 5th – January 16th, 2010 **Time:** 4:30pm –8:30 PM
Description: This course will present the 7 modules (110 hours) of the updated National EMT Curriculum. This course will emphasize the EMT role, safety concerns, Airway Management, Patient Assessment, Medical Emergencies, Trauma Emergencies, Infants and Children, and Ambulance Operations. Students will prepare for the National Registry of EMT practical and written tests offered at the end of the semester. As a result of successful national testing, students will obtain certification as an EMT for the state of Minnesota and National Registry of EMT.

Notes: The EMT classes will be held on Mondays and Thursdays, from 4:30pm –8:30 PM. Some Saturdays may be inserted to shorten the number of days in the class. Students must be CPR certified to the "Healthcare Provider" level prior to class. Class shirts will be ordered and will be worn during ambulance ride-a-longs and tours. The fee shall be paid prior to the start of class and an attendance policy will be enforced.
